

Dear Mrs. Manley:-

I am very gracious to you for that check you sent me.

Gosh, I didn't expect it all at once, and again I wish to thank you for your promptness. Enclosed you will find bill receipted in full -

I do hope you like my new style poster. Am very sure you will. Any suggestion you wish to make will be heeded. This new style will certainly be attractive to the fans. As I go along, I will change my color scheme.

There is no extra charge to you. Same prices to my very best customer.

I used Hill's cut because I think the fans like him in

your city. He looked very very good  
for a sick chap. Boy, I wonder  
what he would do, if he is feeling  
good.

Well, Mrs. Manley, I do  
hope the Yanks and Cubans plus  
your boys play to good crowds  
down South. Here's hoping they  
catch good weather.

I would appreciate a reply  
on your reaction as to the new  
poster. Will make a better job  
on next one with a little more time.

Lots of Luck, I am  
Sincerely  
Mike.
